The impact of family structure and family change on child outcomes.

June 7th, 2020 — The paper provides a brief overview of the research literature on the impacts of family structure and family change on child outcomes with a particular focus on parental separation. It takes as a starting point the existence of pervasive associations between family change and child outcomes and addresses a range of issues that are examined in the research literature.

Women in Traditional China: Asia Society

March 5th, 2014 — During Han times (202 BCE – 220 CE), both the administrative structure of the centralized state and the success of Confucianism helped shape the Chinese family system and women’s place in it. Han laws supported the authority of family heads over the other members of their families.

Same Sex Marriage on Family Values: Law Teacher

June 3rd, 2020 — Supporters of same sex marriage indicate that the registration of marriage is the legal effect regardless of religious norms. In most modern states, the legal and ecclesiastical registration of marriage take place separately, and the law should follow the social changes that lead to the elimination of inequality between people as it occurs during the last centuries when the phase of Confucianism and the Confucian family system ceased.

June 5th, 2020 — Confucian philosophy believes that if you’ve got a job you like, a family that loves you, and you’re able to afford to take care of your aged parents securely in the knowledge that you’ll be cared for and respected in your turn, not only will you be happy but you’ll be a productive member of society.

Change the World: Platform for Change

June 8th, 2020 — Change is the world’s largest petition platform using technology to empower more than 200 million users to create the change they want to see.
