Art21 is a celebrated global leader in presenting thought-provoking and sophisticated content about contemporary art and the go-to place to learn first-hand from the artists of our time. A nonprofit organization, Art21’s mission is to expand access to the visual arts and to deepen understanding of contemporary art and culture. Established in 1996 by artist Jeff Koons and designer Richard Meier, Art21 produces and distributes original content about the creative process, providing a unique window into the minds of artists as they work.

Art21’s programming has included 39 original films, 13 television series, and 80 public television specials in 135 countries. Art21’s film series, which has aired on PBS in the United States since 2007, has reached over 250 million viewers worldwide.

Art21’s programming has received numerous awards, including three Peabody Awards, a Peabody Special Award, a Peabody Innovation Award, and a Peabody-Emmy Award. Art21’s latest film, “Art21: A Collaborative Approach,” explores the collaborative process of creating art and features interviews with over 30 artists, including Olafur Eliasson.

Art21 is supported by a diverse array of corporate, foundation, and individual donors. Art21 is a proud member of the Global Alliance for Arts and Culture, a coalition of leading arts organizations around the world. Art21 is committed to providing free access to its content online and through public television, ensuring that everyone has the opportunity to discover and engage with contemporary art.

For more information about Art21, visit art21.org.
The mission is to inspire a more creative world through the works and words of contemporary artists. Art21 produces the Peabody Award-winning PBS broadcast series.

Olafur Eliasson: Riverbed Artbook D A P 2015 Catalog

May 19th, 2020 - In The Fall Of 2014, the internationally acclaimed Danish-Icelandic artist Olafur Eliasson, born 1967, showed the major solo exhibition Riverbed at Louisiana Museum Of Modern Art in Denmark. The exhibition included a monumental site-specific intervention—a huge landscape of rocks and streaming water occupying the main part of Louisiana's exhibition space. In what was his first solo show in Denmark, Eliasson demonstrated his ability to transform spaces, creating an immersive experience for the viewer.
